Events Planning – April Uram

The invitations have been printed. The committee will meet on Monday, August 5th at 1:00 to compile invitations. Invitations will be mailed out mid-late August.

La Promenade will cater the event at the same cost as last year. Sam-I-Am will entertain the children with his balloon creations. The library will host a story time. Since the fire department hosts an open house in October, the committee decided that the fire truck is not necessary and can be distracting at our event. April Uram will contact Jem Strings to see if they know of another musical group in the high school. April Uram will confirm that the sound system is set-up and that Peter Rustin is available to speak.
