Chairperson's Report – Ms April Uram

The 2011 committee meeting dates were approved. The committee agreed to keep the meeting on the third Monday of the month, unless there is a holiday.

Committee Reports

Events Planning – Ms Uram and Ms Schulter

The Welcome! Committee will partner with the Tenaflly Library for a Luau Day event the week of August 16th. The Event Planning sub-committee will continue to work on the event.

The committee chose a couple dates for the September new resident event, September 13 or 14. The 13th is a Monday and there is no council meeting. Ms Uram will discuss the dates with the Mayor, Council Liaison Ms Nadia Lamastra, the Borough Clerk and The Board of Ed. There was some discussion on whether or not to invite the principal's spouses, but the committee decided that the event is a professional obligation and inviting spouses was not appropriate. Ms Lipson will work on invitations. Ms Schulter will head-up the committee for the event.

Welcome Packet – Mrs Christine Evron

The committee made 13 welcome packets this month. The next date for making packets is June 7th at noon. Any members who can come at noon to make more packets before the June 21st meeting, please do.

Contact Business – Mrs Christine Evron

Committee members are reviewing the list of Tenaflly Businesses. Ms Evron will print the solicitation for donations letter, which the committee will prepare for mailing at the June meeting.

Web Site – Ms Uram

Identify New Residents - Ms Roxana Surrey

Total new residents for March = 41

New Business

Ms Evron and Ms Lipson brought up an idea about collaborating with the Chamber of Commerce on an art event that would take place downtown. The committee is not able to take on a new event at this time, but will consider it for next year.
