Committee Reports

Events Planning – April Uram

Committee members signed up to volunteer for the September 6th new resident event.

The committee is still trying to secure live music for the event.

Door prizes are still needed. Each committee member will try to get one door prize.

April Uram will email the solicitation letter to the committee.

The committee suggested providing name tags for all attendees at the event and a 'please check-in here' sign for the check-in table.
