Committee Reports

Events Planning – April Uram

98 new residents attended the Sept 6 new resident event at Borough Hall.

The Committee discussed the pros and cons of the September event. As always, the committee loved the entertainment for the children, the caterer and flowers. We will try to have live music next year. The sound system is never loud enough. The goody bags, compliments of The Chamber of Commerce, were a big hit. The sign-in process was easier and more efficient, but we should add apartment numbers and have separate sign-in sheets for residents and borough and school personnel. Name tags were very helpful. Council members commented that they preferred the event on a non-meeting night for the Council.
