

STORM & EMERGENCY INFORMATION & LINKS

Storm Weather Reminders

All residents must call PSE&G when they lose power. DO NOT to assume PSE&G is aware of your power outage. Call the Customer Service Line at 1-800-436-PSEG

Visit www.pseg.com/outagecenter

Storm Preparation Tips

- Charge your cell phones, tablets and other mobile devices.
- Fill up your car's fuel tank.
- Ensure you have a battery-powered radio and a supply of fresh batteries.
- Check your supply of flashlights, blankets, nonperishable food and bottled water.
- Have matches and candles with holders on-hand.
- If electricity is interrupted, keep refrigerator doors closed as much as possible.
- Compile a list of emergency phone numbers power outages or downed wires.

Storm Safety Tips

- Stay away from downed power lines
- Keep refrigerator and freezer doors closed
- Use caution with candles
- Turn off lights and appliances to avoid overloading circuits once power is restored
- DO NOT use generators indoors
Exercise a good neighbor policy. If power goes out on your neighbor offer your house for shelter
- Check-in on elderly friends, neighbors, and relatives
- Ensure that pets are cared for and kept warm
