

For the past few years members of the Tenaflly Youth Center have raised money for the Center by volunteering their services in working in a concession tents at PGA events such as the Barclays, the first leg of the FedEx Championship and PGA Championship. The work ethics of our members, the youth of Tenaflly, has impressed the catering company that contacts with the PGA so much they have asked us to participate in this year's President's Cup being held at Liberty National Golf Club in Jersey City, New Jersey from September 26 – October 1, 2017. The Presidents Cup which began in 1994 brings the world's best golfers together to compete for team, country and honor of raising the Presidents Cup trophy.

With this year's event being held during the school year, we will lose some of our opportunities to cover some shifts since our members will be in school. We will be recruiting our members to work the weekend shifts. However, we would like to recruit some of our parents to cover some of the weekday shifts. Whether, you like golf or not, you will have the opportunity to help the Youth Center and see some of the best golfers from around the world.

To find out how you can help or for more information please contact the Youth Center at 201-567-7579 or email us at mslawson@tenafly.net.
