

## Application for Centennial House Plaque for Tenafly's Historic Homes and Properties

The Tenafly Historic Preservation Commission has designed a unique plaque to highlight and acknowledge the very special historic properties that make up the character of the Borough of Tenafly.

If you believe your home or property to be historic, you may apply for one of the oval plaques which ideally should be mounted to the left or right of the main entrance door. The HPC is available to make a placement recommendation upon request. Cast in bronze and coated with a red oxide finish, the plaques are 10 inches wide by 7 inches tall. The image above is an approximate representation.

Orders for the bronze plaque must be accompanied by payment of \$225 which includes shipping and handling. Installation is the responsibility of the property owner. Check should be made to the "Tenafly Historic Preservation Trust Fund". Once the application is approved and payment received, orders are processed at the end of every quarter and take about 8 weeks to complete. So by example, plaques ordered February or March would be shipped in early June.

*Property address:* \_\_\_\_\_ *Tenafly, NJ*

*Best known date of construction:* \_\_\_\_\_

*Known construction date is based on the following (please attach any additional information to this sheet):*
