Tenaflly Recreation Commission Girls Softball League incorporates "team selection", each year girls are selected by coaches. Coach's daughters are automatically on their parent's team and sisters have the option to be separated. **Reminder!** Girls will be chosen by coaches to play in a league against their classmates and all other girls from town. There is no guarantee girls will be on their friend's team. No trades or changes will take place after teams are chosen. Any special needs regarding **religion, family or school must be placed in writing to the director separately.** This is a great start in the development of the benefits of team sports! Be sure you are committed to your friends, coaches and teammates.

Important: Your child will be picked by a coach. There are no requests regarding playing with friends on the same team, as this is an in-town league so girls will play against their friends. If you have any questions feel free to call the Recreation Office ASAP. (201) 871-3008
